

Alfie

Night lasts a long time here and we're having a hard time growing food.

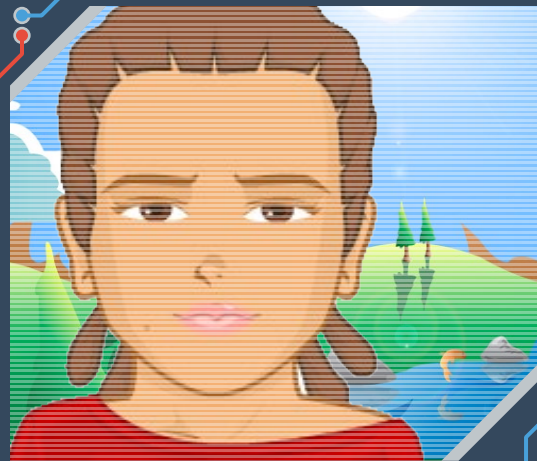

Adam

My tooth is loose but it won't come out and now it hurts.

Ali

We started a research station on the other side of the planet. How can we get back and forth from City X faster?

Alessia

I want to visit my cousin on the other side of this river but Mom said I'm not allowed to swim across.

We don't have schools here. How can my friends and I learn?

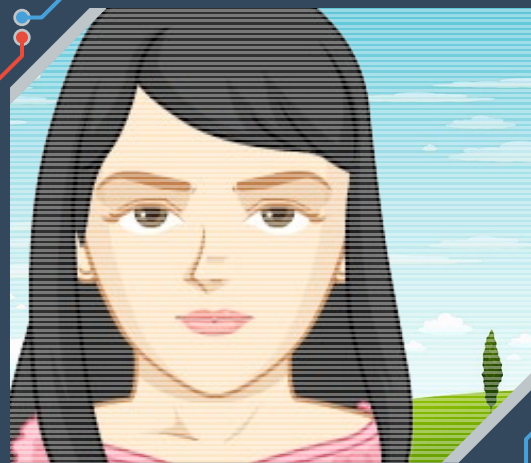

Cooper

My friend doesn't feel well. How can I find out what's wrong with him?

Daniel

This new planet has different germs and viruses. How can we keep ourselves healthy?

Emilia

There's already a lot of traffic and noise in City X. How can we make it better?

I have a question for Hugo but he speaks a different language than me. How can we talk to each other?

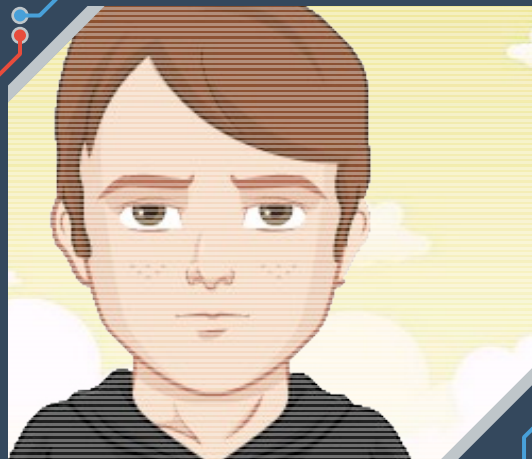

Hugo

We don't have any police here in City X. How can we help people live together peacefully?

Ida

Some of the food in our storage containers has started to rot.

Ilya

Accidents happened too often on Earth. How can we make ourselves safer here?

We've been working really hard to build City X and I'm tired! I'm afraid we won't get everything done in time!

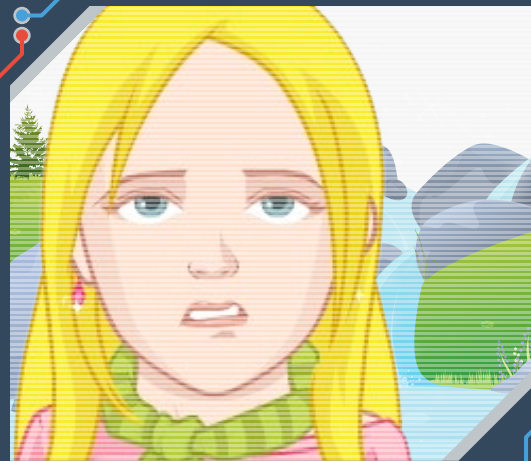

Juan

There's not enough healthy land to grow all the food we need here.

Li

On Earth people use a lot of wood to build things but we don't want to destroy the forests on our new planet.

Malika

My friend is trying to grow plants but she has to carry water all the way from the river in buckets. How can I help her?

The ship's heater went out and we're cold.

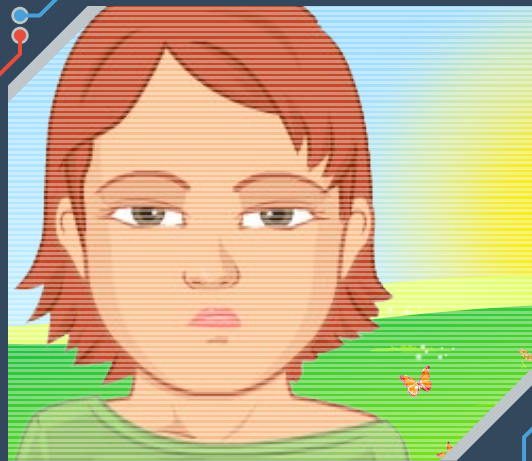

Miguel

Ouch! I fell out of a tree and I think my arm may be broken.

Miya

This planet is in an asteroid belt. How can we protect our city from meteors?

Nada

How can we create energy that doesn't harm the planet?

It's hard to give everyone access to communication that's good, fast, and affordable. How can we fix that?

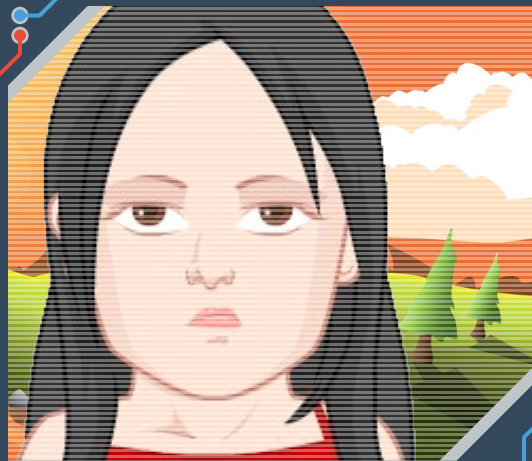

Omar

I miss my family on Earth but it takes years to travel there in a spaceship.

Pari

I was tired of the freeze-dried ship food and ate some berries that made me sick. How can we test what food is edible here?

Shelby

When the ship landed the lake was polluted with oil.

Simon

With so many people in a small city, it's become very loud. How can we find some peace and quiet?

Sofia

There was a big fire last night on the other side of the mountain. What would we do if a fire started here?

Suzana

My family is tired of living in our small cabin on the spaceship. I want a real home in City X!

I love City X, but I miss Earth. How can we make sure we don't forget about where we came from?

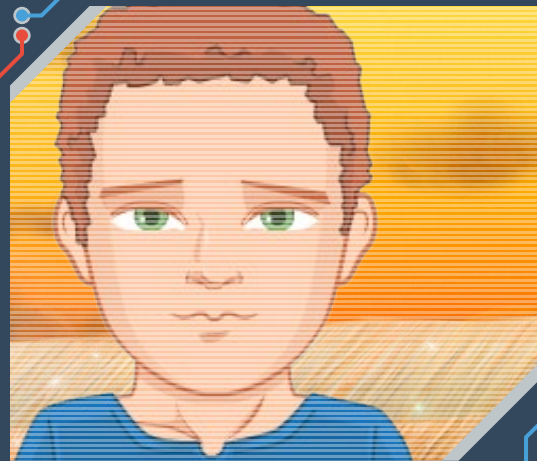

Victoria

I overheard the captain say that the ship's batteries are getting low. What will we do when we run out of power?

Wen

Our garbage is piling up! What can we do with it?

Zak

We brought plants from Earth to grow food for ourselves but a lot of them can't survive here.

Myriam

I want to ask my mom a question but she's on the other side of the city.

Pim

Night lasts a long time here, so it's dark a lot but I have a lot of work I need to do!

May

My eyes hurt! I think I need new glasses but we don't have the materials to make them here.
